

Wiregrass #for the

FAIR SHARE:

ONE
hour
can change a life.

The amount you donate to the Wiregrass United Way is a personal decision, but we would like to encourage you to consider donating at the **FAIR SHARE** level, which is one hour of pay or one percent of salary per month.

Donors who give at or above their **FAIR SHARE** level will receive a **FAIR SHARE DISCOUNT CARD** to use at local businesses in the Wiregrass until August 31, 2023.

Here's how to calculate your FAIR SHARE AMOUNT:

Give One Hour of Pay Per Month:

Hourly Rate X 12 Months / # of Pay Periods = **FAIR SHARE**

or

Give One Percent of Salary Per Month:

Annual Salary X 0.01 / # of Pay Periods = **FAIR SHARE**
