

The amount you donate to the Wiregrass United Way is a personal decision, but we would like to encourage you to consider donating at the FAIR SHARE level, which is one hour of pay or one percent of salary per month.

Donors who give at or above their **FAIR SHARE** level will receive a **FAIR SHARE DISCOUNT CARD** to use at local businesses in the Wiregrass until August 31, 2023.

## Here's how to calculate your FAIR SHARE AMOUNT:

Give One Hour of Pay Per Month: Hourly Rate X 12 Months / # of Pay Periods = FAIR SHARE ♂

Give One Percent of Salary Per Month: Annual Salary X 0.01 / # of Pay Periods = FAIR SHARE
